ERRATA

- In Mosquito News 38(2):305—under Woodward, change name to read *Woodard*; 39(1):209—under *Reisen*, change issue number to read 7(5); 40(4):672, under *Zong*, change name to *Zhong*.

Special Note:

The first issue of *Med. Parazit. i Parazit. Bolezni* in 1981 is shown as Vol. LX (60). Vol. 60 was used in the present bibliography for references selected from the issue. There is evidently a mistake as the last issue of that publication was XLIX (49, no. 6). It is to be assumed that the first issue in 1981 should be Vol. L (50) and *not* 60.
