BOOKLETS AND REPORTS

- Alameda County Mosquito Abatement District. 1983. 50 and 51 biennial report. 13 pp. California.

BOOKS

- Calisher, C. H. and Thompson, W. H. (Editors). 1983. California serogroup viruses. Proceedings of an international symposium held in Cleveland, Ohio, November 12 and 13, 1982. 428 pp., New York. Alan R. Liss, Inc.

SPECIAL NOTE

Owing to the great expansion in the literature covered by this Bibliography, I am being more selective, particularly in borderline citations. Therefore, some issues of the Bibliography are expected to carry fewer citations. H. S-R.

MOSQUITO SYSTEMATICS

An International Journal of the American Mosquito Control Association

A quarterly refereed publication devoted to reporting the latest research in the sciences of mosquito taxonomy, ecology, distribution and evolution. Suitable papers accepted from both members and nonmembers of the AMCA.

MOSQUITO SYSTEMATICS SUBSCRIPTION APPLICATION

1984 RATES TO INDIVIDUALS—\$15.00 per year

PRINT OR TYPE

Name: _____

Address: _____

Make checks payable to American Mosquito Control Association and mail to AMCA, 5545 E. Shields Ave., Fresno, CA 93727, USA. Payments from overseas must be in US dollars, and in a form not subject to "collection charges," e.g., drafts on USA banks, international money orders, etc.
