

MOSQUITO SYSTEMATICS
AUTHOR INDEX, VOLUME 23

Articles

- BECNEL, J.J. See DARSIE, R.F., JR.
- BENJAPHONG, N. and R. RATTANARITHIKUL. *Zeugnomyia gracilis* Leicester (Diptera: Culicidae), a new genus and species occurrence record from Thailand. (1):53.
- BICKLEY, W.E. and B.A. HARRISON. Description of the pupa of *Aedes (Ochlerotatus) grossbecki* Dyar and Knab (Diptera: Culicidae). (3):205–208.
- COETZEE, M. See HUNT, R.C.
- CORNEL, A.J. Description of *Aedes (Neomeaniconion) aurovenatus* Worth (Diptera: Culicidae). (1):54–65.
- CORNEL, A.J. Description of *Aedes (Neomeaniconion) aurovenatus* Worth (Diptera: Culicidae). (1):54–65.
- DARSIE, R.F., JR. and S.P. PRADHAN. The mosquitoes of Nepal their identification, distribution and biology. Index and corrigendum. (1):46–49.
- DARSIE, R.F., JR., J.J. BECNEL, E.I. HAZARD and J.J. GARCIA. A record of mosquito species collected during a larval survey in Argentina and Uruguay (Diptera, Culicidae). (1):50–52.
- DARSIE, R.F., JR., S.P. PRADHAN and R.G. VAIDYA. Notes on the mosquitoes of Nepal I. New country records and revised *Aedes* keys (Diptera, Culicidae). (1):38–45.
- DRITZ, D. See FRITZ, G.N.
- FRANGOS, C. See JUPP, P.G.
- FRITZ, G.N., D. DRITZ, T. JENSEN and R.K. WASHINO. Wing-scale pattern variation in *Anopheles punctipennis* (Say). (2):81–86.
- GARCIA, J.J. See DARSIE, R.F., JR.
- GEARY, M.J. See LINLEY, J.R.
- HARBACH, R.E. A new subgenus of the genus *Sabethes* (Diptera: Culicidae). (1):1–9.
- HARBACH, R.E. Ontogeny of the larval stage of *Sabethes chloropterus*, with special reference to setal development and phylogenetic implications for the family Culicidae (Diptera). (1):10–24.
- HARBACH, R.E. Neotype designation, generic realignment and description of *Dendromyia schnusei* Martini (Diptera: Culicidae). (3):175–181.
- HARBACH, R.E. and E.L. PEYTON. A new subgenus of *Wyeomyia* (Diptera: Culicidae), with the reclassification and redescription of *Wyeomyia (Davismyia) arboorea*, *Wyeomyia (Dendromyia) tarsata* and *Sabethes (Sabethes) carrilloi*. (2):92–109.
- HARBACH, R.E. See PEYTON, E.L.
- HARRISON, B.A. See BICKLEY, W.E.
- HAZARD, E.I. See DARSIE, R.F., JR.
- HIRIYAN, J. See TEWARI, S.C.
- HUNT, R.C. and M. COETZEE. Cytogenetic evidence for a new species within the taxon *Anopheles (Cellia) marshallii* (Theobald) (Diptera: Culicidae). (3):191–194.
- JENSEN, T. See FRITZ, G.N.
- JUPP, P.G., A. KEMP and C. FRANGOS. The potential for dengue in South Africa: morphology and the taxonomic status of *Aedes aegypti* populations. (3):182–190.
- KEMP, A. See JUPP, P.G.
- LINLEY, J.R. The egg of *Trichoprosopon compressum* (Diptera: Culicidae). (3):161–169.
- LINLEY, J.R., M.J. GEARY and R.C. RUSSELL. The eggs of *Aedes (Finlaya) alboannulatus* and *Aedes (Finlaya) rubrithorax* (Diptera: Culicidae). (2):132–143.
- LINLEY, J.R., M.J. GEARY and R.C. RUSSELL. Fine structure of the eggs of *Aedes (Ochlerotatus) theobaldi*, *Ae. (Och.) sagax* and *Ae. (Och.) procax* (Diptera: Culicidae). (2):144–159.
- PEYTON, E.L. and R.E. HARBACH. A new species of *Culex (Melanoconion)* encountered during arbovirus surveillance in Mexico (Diptera: Culicidae). (3):199–204.
- PEYTON, E.L. See HARBACH, R.E.
- PEYTON, E.L. See WILKERSON, R.C.
- PRADHAN, S.P. See DARSIE, R.F., JR.
- RATTANARITHIKUL, R. See BENJAPHONG, N.
- REINERT, J.F. Additional abbreviations of mosquito subgenera: names established since 1982 (Diptera: Culicidae). (3):209–210.
- RIBEIRO, H. Research on the mosquito subfamily Toxorhynchitinae (Diptera: Culicidae) II—Description of the Afrotropical subgenus *Afrorhynchus* subgen. nov.

- (3):195-198.
- RUSSELL, R.C. See LINLEY, J.R.
- TEWARI, S.C. and J. HIRIYAN. Description of a new species of *Aedes* (*Rhinoskusea*) from South India. (2):123-131.
- TEWARI, R.C. and J. HIRIYAN. Description of the pupa of *Anopheles* (*Anopheles*) *sintoni* (Diptera: Culicidae). (3):170-174.
- VAIDYA, R.G. See DARSIE, R.F., JR.
- WASHINO, R.K. See FRITZ, G.N.
- WILKERSON, R.C. *Anopheles* (*Anopheles*) *calderoni* n. sp., a malaria vector of the Arribalzagia Series from Peru (Diptera: Culicidae). (1):25-38.
- WILKERSON, R.C. and E.L. PEYTON. The Brazilian malaria vector *Anopheles* (*Kerteszia*) *cruzi*: life stages and biology (Diptera: Culicidae). (2):110-122.
- ZAVORTINK, T.J. Bleaching of adult mosquitoes with daylight and its bearing on nomenclature in *Aedes* (*Neomelaniconion*) (Diptera: Culicidae). (2):87-91.
