

Mr. D., I hope I have made my-
self clear about the fern.
Gilead
Sept

writes that he has procured an ample supply of "Woodsia" & says it is my turn now to procure "viride" or "Pellaea gracilis". I do not enough to look for a "viride". I should perhaps you are in Me. To ground here unsuccessful this year. I have found clay - where the fertile pinnae, but entirely to the condition of the sterile pinnae, similarly to the Asplenium. In other of the gen. Asplenium of the plant. K. 17.

Furbish, Kate. 1897. "Furbish, Kate Sept. 1, 1897 [to G. E. Davenport] [postcard]." *Asa Gray correspondence*
