

Ebenezer near Buffalo Dec. 19<sup>th</sup> 1849.

Asa Gray Profess.

Very Dear Sir!

The *Magnolia cordata* I received and likewise your esteemed favour of 4<sup>th</sup> inst. I send you now to day by Express a parcel containing proofs of the two kinds of *Magnolia* which I did with crayon on stone, but they were as I believe drawn a little too deep, that I will <sup>redo</sup> ~~redo~~ this by the next. I enclosed also a colored one of each kind, & of the Cherry. I would be very glad, if you would let them color. I would reduce the prize to \$ 8 pr. hundred impressions. A early reply on this object would very much oblige

Your Very Respectfully,

Obett Servt.

Jos. Prestele.

P. S. Also I received two drawings of Mr. Endicott for Dr. Torrey's work.
