

Camp July 27. 1876

Dear Mr. Watson

I doubt
whether my report will be
out inside the year. For the
last two months I have done
nothing on it. My business here
requiring all my time. I
should of course like to get
into your index. I will of
course furnish you the
advance sheets whenever they
are out. Gladly. but fear
it will be too late. Yours ever
J. P. Mottrock
