

Expt. Exhd (Wilkes) Oregon Calif. Plants;
to Washington - with the understanding
that it should be returned to me for cor-
rection before being printed. This mss. con-
tained my only observations on many of
the plants - & I think that the Mo-
-notropaceae were ~~on~~ the unique list.

I found, at the Office, another letter of
yours - or rather some notes (with speci-
mens) of Calif. & Nevada plants - to which
I will give prompt attention this evening.
Tell Parry that I will write to him
tomorrow - With love to your good Dame
- I must here break off

Yours ever
John Torrey

New York

My dear friend -

I returned from
evening - in comfort
a little fatigued with
road travelling - the
night & day are the
nearly as cold in G.
I had only two or three
days. You know how
cold. I went
benefit of a warm cloth
as if the spring would
In order to pay my
I undertook, for the
visit the Branch Museum
of Dahlonega, Geo. &
Delaware - giving at the

Torrey, John. 1868. "Torrey, John June 2, 1868." *Asa Gray correspondence*
