

June 16/62

Dear Sir,

We were much surprised yesterday at receiving ~~from~~ through the University Library a second copy of Leibniz's "Leibnizian". My order for the work was made <sup>indeed</sup> through Mr. Winsor, the Librarian of the University, (~~as required by~~ <sup>in accordance with</sup> present regulations) — but ~~now~~ <sup>as I took occasion</sup> to mention in one of my letters to you — but where the first copy was received, for which payment has been made you by Dr. Gray, I supposed that it <sup>sent</sup> had been in response to that order, and to us directly simply because most convenient. <sup>Of course</sup> I <sup>would have of course notified you as soon</sup> as only one copy has been ordered and then the one through Mr. Winsor, it follows that the earlier copy will have to be returned to you and Dr. Gray be credited

<sup>in 9/2</sup> with the amount ~~that~~ <sup>that</sup> was paid  
for it. I am sorry this has  
happened Union, Oregon, April 19. 82

My dear Mr. Watson:  
I understand how the misunderstanding  
has arisen. Please advise  
me specimens for determination  
as to your wishes. I am  
trying to make a clean up  
of them. Though there are sev-  
eral in the cabinet that  
they work. The copy from the  
library is a ~~book~~ <sup>book</sup> ~~on~~ <sup>on</sup>  
of fruit - there is no hurry  
- the first is about ~~very~~ <sup>very</sup>  
about the names. <sup>and</sup>

I begin to fear I shall  
not be able to go to western  
Oregon this summer. I regret  
much that it is so.

Your of 30 mar. is at  
hand with stamps in close  
Thank you for the trouble & which  
you have been on my account.

Truly yours  
Wm. C. Cusick
