BECKENHAM, KENT.
RAILWAY STATION
ORPINGTON, S.E.R.

My dear Gray

I send by this post all the
clean sheets as yet printed &
I hope to send the remainder
within a fortnight. Please
draw this to 6 last chapters
as we recollect, & to show
6 last of June. Still I
believe this to results are
valuable. If you review the
book, I shall be very anxious
to see what you think of it,

For I can never find you
judgment there for that of
almost anyone else.

I know also ^{that} you wish
to speak to truth, whether
you approve or disapprove.

Very few wish to take to
truth to read the book,
& I do not expect
you to read to whole,

but I hope you wish ^{read} to
let the chapters. — Mr. H.

Appleton will buy it
in America,
not, & of Orchid book,

which I am now
connecting to sheets of,

as it has been almost
remodelled. —

Yours if sincere

(Ch. Darwin)

I am so sick of connecting
to paper & licking my horned
bad style with too intelligent
English. }
