

June 7/82

Down
Beckenham

Dear Dr Gray

Many thanks for
your kind letter, & your
willingness to help me.
I think perhaps it would
be best if you would send
me the letters bodily - these
are often characteristic
words in his short notes
& intimate friends

I think the letter you
refer to must be preserved
& it shall be returned to
you of course with the
others

With many thanks

Yrs ever sincerely

J Darwin
