

The full Col
Montreal

Sept 17, 1866

My dear sir,

I take the
liberty of sending
by this mail
to you a proof sheet
of a little attempt
at White Mountain
botany. Will you
have the kindness

I look at it and
tell me if I have
made any great
blunders. I intend
to add to it more
good specimens as
I pass and
just as well between
all our people along
the Appalachian Mts.

I have several

times intended to ask
if I can in any
way benefit the
Academy - Would
it care to have copies
of books and papers
published here for its
library.

Truly yours
Madison
