

Santa Barbara

Aug. 1. 1886.

Dear Dr. Gray.-

I wonder if my
chirography is growing as
bad as yours? I certainly
meant to be read Cnicus
Andrewsii, and am therefore
disappointed by your very
nice involucre of, and full
comments upon C. Anderssonii
which I have, for some years,
been familiar with.

This in haste, as I am starting
again for S. Cruz. I hope to
be in Berkeley again by the
middle of the month.

Yours sincerely
E. L. Greene
