

2d May 1872

My dear Sir  
We send it today to  
an Express agent another  
case of dried plants for you  
containing  
of Gerard & Manning's Malayan  
plants - including many very  
interesting things. Their call?  
has not been entirely deter.  
mined was being approximately  
deter<sup>d</sup> by my assistant Kingston  
& so I did not like to let it

Handwritten signature in cursive script, likely reading "John Smith".

So not from Kees with names  
to the Specimens. However, as we  
ought they are in the main  
correct, I shall have a  
copy made for you immediately  
your list with Gr. numbers,  
which will be some help  
from in this than in.

2/ Continuation of Duplicate  
Collection a Hb. Hk. & Hk.

3/ a Set of Cunningham's Magellan  
& Lhatup. Co. Amer. Coli.  
gathered in the voyage of the  
Hallsaw. You may find something  
good.

4/ the Fungi &c. from Mr. Cooke

in Exchange for the Wright's Plants, referred to in  
previous letters.

Let us hope the sale may have  
a short & successful result that leaves  
nothing to be desired.
