My dear Dr May

We are at Henderson Mr  
Jackson tells me this  
morning is ready & will  
acquire some specimens  
or other. It will leave,  
he tells me, in about a  
week from this date.

As it is packed I shall  
not enclose any small

accumulation - which  
includes nothing important  
yet. - Hereslay gives  
me enclosed Memo. for  
you.

Mr Newham is at Amaryllid?  
I pray I find so few  
Stems seeds - which provide  
the hints, important dis-  
tinctions. Very res. sincerely  
D. Oliver
