

New York July 6 - 80 -

Dear Watson -

Page proofs at hand
In giving them over hurriedly 2 notes -
p. 322 - under Aeratochloa unioloides,
note - "Brome de Schrader" - Cut out the
final 2 - to read Brome de Schrader
which is the French popular or
Agricultural name -
But worse - probably my fault -
The section Vulpia is made under
Festuca, but none for Festuca proser-
cunt some of the talk under F. microstachya
p. 317 - (2 cut out and a 2 be put in - you fix it)
Harte O

S. Watson Esq -

Genl of Dept Genl.

Thurber, George. 1880. "Thurber, George July 6, 1880 [to S. Watson]." *George Thurber letters to Asa Gray*
