

New York Feb 7 1860

Dear Sir,

In return you as requested  
the contents &c of Darwin's work  
and must apologise for the soiled  
state but the printer who supplied  
the article for the new edn. did not  
understand you wished it again.

We suppose before long we  
shall require a new edn. & we  
thought we would write to know  
if any additions could be made  
for a second edition

Very respectfully
