

C. F. Austin  
Closter, N.Y. Sept. 23-73

Dear Dr. Fay

I want to go to  
Florida this winter on  
an expedition for Mammals &c.  
that region appears to be as  
yet unexplored & to  
abound in new Mammals &c.

And Mr. Sullivan told  
it was his intention to  
furnish the necessary  
funds, and I was to  
go about the 1st of Jan.  
next.

I propose to try to  
raise the necessary funds  
(say \$200 - \$250) by  
subscription - each sub-  
scriber to receive a

set of the specimens on  
my return. Would  
you like to take a little  
stock - say \$10-\$15 - worth  
in the Enterprise?

I am now printing the  
boards of the "Hepot  
Exlie". It comprises  
175 numbers. I will  
be put to a few sub-  
scribers at \$15. I think  
a sufficient amount to  
pay for printing is raised.  
(The regular price will  
not be below \$20)

I'm looking up my  
specimens of Anthracites  
for the Hepot. Exlie.

about a week ago I  
run across no less than  
3 well marked W. up for  
the South!

Very truly yours

C. F. Austin
