

Ithaca, N. Y., June 23 1891

Dear Mr. Watson:

By express to-day, pre-
paid, I send you the pyruses. They
have been of great service to me.
I have made some changes in our
pyruses which I hope botanists
will find useful. At any rate, I
hope that you will do me the
favor to borrow my speci-
mens when you write pyrus
for the Syn. Fl.

I have a very large collection
of native phms, and shall work
them up this fall.

Much obliged for the use
of the specimens. Yours truly
L. H. Bailey
