

Dear Watson,

An artist friend, who  
knows no Botany, in passing  
through New Mexico, called there  
at a station & sent to my wife,  
I think, and if so it is funny -  
he "gunked" Baileya, without ever  
having heard of it - and sent  
it where it naturally should go, Am  
I right?

Happy New Year to you  
from

Your friend of 22 years!
