

No 6 Cushing St., Providence
January 20, 1896.

My Dear Mr Gray,

I shall indeed be very
glad to receive the engraving
you mention, and thank you
in advance. A gentleman here
has offered to furnish with por-
traits to the extent of a hun-
dred dollars. He has given us a
list of Mr Darwin.

I wish I could aid you in
your autograph hunt. All my
father's scientific papers went to
the Boston Natural History Society.
It is only by accident that I
ever find one. I have very many
of his own letters.

I do indeed hope you may
yet see my children - and my
wife. Mr Walter Deane will
tell you much about them.

Very truly yours
W. W. Bailey

Bailey, William Whitman. 1896. "Bailey, William W. Jan. 20, 1896 [to J. Gray]."
