W. Brewster Watson
Cambridge, Mass.
Dear Sir

The "List of the Writings
of Dr. Asa Gray" has been received,
for which I thank Mrs. Gray and yourself.
It is a grand record of a noble and
useful life. I suppose that you have
seen the Professor E. L. Greene's note on
new species of our Common Dodecatheon.

Dr. Edward Palmer is here,
I hope we may be able to secure his done

Permanent and congenial employment at San Diego.

His health has improved since he came here.

He is now fitting material for you - for a determine-
ation of the Palms - California here.

Very sincerely yours
Daniel Durand
