

Are there any dupli-  
-cates of *Sphagnum*  
*Lindbergii* in  
the Sullivan  
Herb. I know Beck  
sent him quite  
a lot of it. This  
is one of the most im-  
-portant mosses in  
my Musci, & I

should like enough of it  
to finish out the last 12 sets just  
put up. about 2 stems would  
answer <sup>as</sup> they could be cut up in  
short pieces CF

Austin, Coe F. 1837. "Austin, Coe F. undated [to S. Watson]." *Asa Gray correspondence*
