British Museum

22 Sept 1866

My Dear Dr Gray

Thanks for the notice of
Sulphur Genera & the Bulletin
Manuscript in the Journal of Science
rather than interesting account
of Dr Harvey & Greenville. The account
of Dr Harvey in the Athenaeum was
by Dr Percival Wray. I got him
to write a reference for information
furnished by Dr Harvey, but he is a
I thought the visit to Oregon was a
mistake, but could not correct it
The account about Harvey & Greenville
me. The voyage ends with "adventured
other places in the Pacific" now and

The little manual is nearly out
of print & I doubt if it will be reprinted
I doubt if account of the death is quite
accurate. I think that Dr Harvey
& Lady Barker were only lodging
at the same house, for Elizabeth
Barker's husband, who has remained
poor & infirm, at Bognor. I think that
the house since Harvey's death and
Lady Barker is to have with their
own the collection of Dr. Leake
includes Dr. Gregory's collection
has been purchased by the British
Museum it is a very beautiful
collection with a catalogue in
Gentle neat manner for every thing
he did was beautiful & neat

the summer I have been for five
weeks at home to see if the great
urter, alleviate my disease in
Bladder. but I did little for me
as at first the weather was too hot to
call for cold water for me to sit
out of doors in the garden which was
one of the
My father-in-law took there while there
but fog & I entered into the collection
of the specimen that had
arrived since Harvey arranged
them including many very interesting
things for Vancouver Islands
I agree in all you say about collecting
work but I think that there will
be found some novelty both as
regard arrangement & characters
used in the families pointed for
little has been done systematically

Gray, John Edward. 1866. "Gray, John E. Sept. 22, 1866." *Asa Gray correspondence*
