

Cambridge,
Oct. 19.

Dear Mr. Watson,
Prof. Looman
has at his house
on Irving St. a
copy of Thomas
Martyr's "Thirty-eight
plates with explanations
etc." (See Putzel, title
no. 5928*) Prof. Looman
gives the date of his
copy as 1794. Putzel
gives 1788 and perhaps
Farlow

Lauman's copy is a second edition.

Have you a copy of this work at the Herbarium? If not, could you call and see Prof

Lauman who would probably give you his copy. I would attend to the matter but I am in a desperate hurry to start South this week and I shall not be back until Dec. 1st.

Do you know anything about Tallulah Falls, Georgia, as Tallahassee as collecting ground? I meant first of all big fungi and then cryptogams in general.

Yours, truly,

W. G. Farlow.

Farlow, W. G. 1842. "Farlow, William G. Oct. 19 [no year] [to S. Watson]." *Asa Gray correspondence*
