My dear Gray

Many thanks for your  
kind note of the 10<sup>th</sup> and the  
enclosed bill for £2.0.0 in payment  
of the copy of Gen. Pl.

I did not overlook your wish  
that some notice should be taken  
in Nature of your important  
synoptical flora - I did not feel quite  
up to doing it myself now that I  
am no longer in the way of critical  
notices so I mentioned it to Hooker  
who you will see has I think done

et justice - I do hope you are going  
on actively with that most useful  
work

With every wish that you  
and Mr Gray may have enjoyed  
your holiday believe me

Ever yours
