My dear Gray

Oliver sent off to you from
New about a fortnight since a box
containing amongst other things the
copy of Gen. St. you last ordered - the
Hook. Reamer for the Boston Westhill
Society and the last part for yourself
the Columbia College New York and the
Boston West Hill. - Also a spare copy
I had of the Memories of the H. Board.
which may serve as a complement
to my paper on Memories of the H. Board
sent you at the time a separate copy.

You are now I suppose with
Hobbs at the Colorado. I hope the Railway

stroke may not have interfered with you
 I envy Hooker his trip. If I had been
 twenty years younger I should have
 gone with him - but now I shall never
 cross the Atlantic. I have been leading a
 monotonous life the last twelve months
 steadily working day after day at the
 Flora Australiensis - the *Leperonea* took
 me seven months without interruption
 and now I have been more than
 four at the *Gramineae* - which will
 still take me two more months - I am
 now going however for a fortnight
 holiday down to General Allenby in
 Somersetshire. In the mean time my
 seventh and last volume is printing.

I was very glad to see that you are
 disposed to adopt my view of the structure

of grapes - It appears to me to simplify
 them very much - I call it my view
 but I find that others had preceded me
 though I took it up quite independently.

You ask me to let you have the
Icones as low as possible - the selling
 price is 8/ the part, we give it for
 ready money at 7/ but as you take
 so much of Gen. &c. etc. I think I must
 let you have it at the trade price - at
 6/ the part - or if sent by post 6 1/4

Your amount will stand thus

<i>Genera Plantarum</i> vol 1 & 2	3.. 10.. 6
Hooker's <i>honey</i> (for North West for) vol	2.. 0.. 0
1 & 2 new rec. 3 parts	10.. 0
13 & 2 parts 3 copies	7.. 4.. 6

and if you like to pay now for
 the last part 3 copies by post which I will
 send to you to the Columbia College and to the
 North West for at 6/

Received from a friend Mr Hooker
