

Office Pacific RR Survey -
Washington, Augt 23, 1855.

Dear Sir,

I have this morning received the illustrations of your botanical report upon Gen. Stevens's collection and I hope the engraving will do justice to them. They appear to me admirably done.

Please send you a check for the amount of the account enclosed in a day or two. Mr. McPherson to whom I sent it having informed me that he will not be able to check for one or two days. The mail has been so infall that I do not wait for it but acknowledge the receipt of the drawings -

Very respectfully, etc
Yours,
A. A. Humphreys

Prof. Asa Gray
