

Banbury 29<sup>th</sup> Oct - 66

Dear Mr. Allen.

Many thanks for the  
sets of Clematis &c so neatly  
packed, and for all your  
kindness. But I have  
not a moment now in which  
to thank you. - distractingly  
busy.

Certainly Polygonia undula  
is most new for New Jersey.  
~~But~~ as much was Franklin.  
But I should have thought it  
introduced. At sure?  
I supposed I had spoken of it.

Excuse such brief acknowledg-  
ments. I am trying to ~~so~~  
move into new habits.

Ever Yours truly

A Gray
