

You could have the  
duplex. Single  
specimens, I don't say  
owed to me or not.

Very truly Yours

Dear Mr. Davenport

The collection you  
ask after has not  
yet been yet.

That of Louis Cali-  
fornia is here, undis-  
tributed

Mr. Watson, who  
has them in charge —  
is some day to put

them into sets I  
sell for Palmer's  
benefit.

He will do all he  
can for you.

But if you were  
to run off with  
a good part of the  
Terms, what would  
the subscribers say  
to missing them in  
their sets?

But if there is enough  
to make out the requests  
no. of sets - (12 or 15).
