

Cambridge Mass. Jan'y, 22^d. 1846
My Dear Prof Oliver

Yours of Jan'y, 1, is just
here. Many thanks for your
good wishes for the new Year - I am
to you, I will at once
forward your letter to Dr. Savage.

I do not now recognize the
sketch of a Hawaiian pl.; but I
perhaps may soon.
H. Mann got a Laureacea (an
Oreodaphne?) the only one I ever
saw from those Islands. Also a
one, near Schiedia, with large
wate 3-ribbed leaves. I will send
these soon.

Pray do not have the bother
at New of maintaining a Journal,
But a revival of Jones Plan-
tation, with letters press not re-
stricted, would do very well. Ever, A. Gray

Prof. Oliver
