

London, 19th July, 1887

Dear Mr

I have not yet heard
from you whether you actu-
ally sent any sheet copies
of the new Elements of Botany
to New York. It is said
that only one copy - the one
addressed to Haberm & self
(not to me) came to hand.

use them.
Similarly I have never heard
from you any ~~thing~~ about the
Contributions etc. to be sent to
Laboratory Bot. Soc., I am in
doubt. I ~~think~~ that, being
lucky, you will see Smith etc.
institution. I do not wait?

I suppose you hear of us the w.
Cilice. We are well, & very
active - but not laborers.
Yours m. A. Bray.
