My Dear Sir

Many thanks.!

But as the specimens  
of Girdyera pubescens

are so young that I  
fear they may not  
develop in water,

Please send me 2 or  
3 spikes in flower —  
just the spikes, and not  
by Express but by mail  
in a little paste-board  
box say as long as an  
ordinary letter —

I enclose the box itself.  
Please send it back with  
the spikes in it & much  
Ours truly Arthur Gray
