

Boston Nov 10. 1851

My dear Jane.

Many thanks for the
English Oak portable case for Books, which you have
sent to me. It is very useful and ornamental;
sound at heart, and highly polished.

I regard it, as an appropriate memorial of the
accomplished donor: to be preserved with all the
care that the Recipient of eighty three years, can be
supposed to possess.

With the thanks, I give you

(my dear Jane,) the blessing, of your affectionate
grand father

Samuel Putnam.

To Mrs Jane Loring Gray.

Shady Hill, Cambridge.
16th Novr. 1860.

My dear Dr Gray

I thank you heartily
for the kind note with
which you send me notice
of my election into the
Amⁿ Academy. I am sure
that I shall find interest
in the meetings when you
take part in the discussions.

I am glad to be a mem-
ber chiefly for the reason
that you recall in your
note, - that my Father
was a member before me.
It is a pleasure to me to

more comfortably than last time
and have mounted a pony
carriage to drive about in

Ever yours most sincerely

George Cuthbertson

Mr. Bentham
Dr. Gray will find that Dobson
makes a new *Sepedea* of *Pitcairnia*
and two new *Bromelias* of
Rhynchosia tormentorum.

Portobello House
Herne Bay
March 10 1852

Dear W^m Gray

It was very stupid in me to
leave a blank for the postage
of my letter - however it may
have this good effect that if Dr
Gray was well freighted he may
have imagined the amount greater
than it is and may properly be
relieved at hearing that it is
£ 2. 10. 6 - which with £ 5. 14. 6
for species plants makes £ 8. 5. 0
but do not let him hurry himself
to send it off any note till he
has received and seen the book
and plants - I have just sent
I suppose £ 60 which I have
already received for him - and
the bookseller can easily wait.

I will send to Liverpool
this week a box containing
these things - I hoped to have

be connected thus in
association with him.

I hope to see you
soon, - and I am always,
with true respect,

Faithfully Yours

Charles E. Norton.
