

Miss Bachelder

I send my rough  
notes of Lect. 2, with very  
little hope that you will be  
able to make any thing of it;  
but chiefly that you may  
see how impossible it is to  
extract much sense from it.  
Perhaps a portion of the latter  
part may be barely intelligible.  
Very truly Yours  
Alway.

I much wish it were in better condition.
