

COLUMBIA COLLEGE HERBARIUM.

NEW YORK,

Aug. 19, 1889.

My Dear Dr:-

You appear to have been the first to doubt the Linnaean synonym of Peltandra virginica Engler and the rest seem to have been satisfied with it. You may be right, but I have no time now to go in to it. Truly, you have a terrible aversion to old specific names!

Thank you sincerely for the specimens you send for the Herbarium.

Very Truly Yours,
W. L. Britton.
