

New York,

May 7

1891.

My Dear Dr. Watson:

I thank you sincerely for the specimens from Herb. Corson. I will try to reciprocate in some way when opportunity offers.

It is a matter I regret to me that we cannot now afford to distribute the Paraguay and Bolivian plants free. It has cost so much to get them that we are compelled to prevail on the Herbaria to help us out. Yours Very Truly
W. L. Britton

Britton, Nathaniel Lord. 1891. "Britton, Nathaniel L. May 7, 1891 [to S. Watson]." *Asa Gray correspondence*
