MCGILL UNIVERSITY

Oct. 29th 1894

My Dear Mr. Deane,

Many thanks for
your additional notes on the
Shelburne Specimen of *Prunus*
rigida. The next time I am
in Cambridge I shall hope to
take a peep at your herbarium.
I enclose the cover of your
last letter, which I was in-
terested in. We are having
a superb autumn and the
flowers in the Botanic Garden
are holding on wonderfully,
much to the advantage of the
classes.

Please send our regards to
Mrs. Deane and accept the
same for yourself.

Cordially yours
W. G. C. Oakes
