Dear Deane:

I am asking my friend  
Mr. McGee to make himself  
acquainted with you in the  
hope that you will present him  
at the Garden and Herbarium as  
a keen and intelligent observer  
of trees and shrubs for whom  
it is worth while to head out  
the helping hand. He is to be  
at the Herbarium this season  
and may not get to Cambridge yet,  
but when he does I want  
him to have the pleasure of  
knowing you in particular.

Cordell Jones,

Wm. Village.

February 15, 1921.
