

Dear Prof. C. Cambridge  
29 Apr. '09.  
I must thank  
you for the little  
book on Trees, which  
I got some time ago &  
neglected to acknowledge.  
It is very useful and  
convenient.

I wonder if you can  
send me the name of  
my no. 1354 from  
Camstable Co. Mass.,  
without too great  
trouble. I need the  
determination for an  
article I'm at work  
on. If inaccessible  
I can send another  
specimen.  
Yours, H.H.B.
