

Malden Mass Mar 28. 1902

Dear Mr Collins.

Is the Providence Franklin Society
in existence? Does it possess Olney's Collection of
algae, on which his list "Algae Rhodiceae" was
founded, published 40 years ago or thereabouts?
If so, could I see the collection?

If you can answer any of these questions
without too much bother, I shall be very much
obliged.

In haste

Frank S. Collins.
