

Malam Feb. 8. 1906

Dear Mr Collins

Your plant is *Oscillatoria splendida*:
a not uncommon species; the material is in excellent
condition, & shows the curious trips of the filaments better
than usual:  tapering more or less curved with
a knot at the end.

Very truly

Frank S. Collins

Collins, Frank S. 1906. "Collins, Frank S. Feb. 8, 1906." *James Franklin Collins correspondence*
