

Dear Mr. Collins,

Mr. Chamberlain has written to ask me if I have voted the Psychologist-ticket. I have a very good reason for not doing so, for I have not received the November Psychologist, and did not know that it was out.

At Grand Manan last June, I found such an interesting variety of the Polytrichaceae that I collected a number of

specimens for you. Some day
I shall get them ready to
mail.

Sincerely yours
Elizabeth M. Sunkam
