

Apr. 2, 1910.

My dear Professor East:-

I have been trying to find that letter of yours in regard to Dr. Brainerd's lantern slides. I have looked everywhere that it seems at all likely that it might be, and many where it ought to be any way, but it fails to materialize. It is either badly mislaid or lost. This fact undoubtedly accounts for my overlooking the matter so completely. Can you again supply me with the numbers of the slides you desire?

I will try and not allow another mishap of this sort to occur again.

Very cordially,

Collins, J. Franklin. 1910. "Collins, James Franklin Apr. 2, 1910 [Collins to East]."
