J. F. Collins

Dear Sir:

Sorry to find you don't exchange. I should like to get hold of some one in Rhode Island who is a good collector. There are quite a number of plants in your region that I should like to get and if I could find a good collector, I would take others to show distribution. I have - exchanged for a number of years with Walter Dreane and also with Dr. E. H.

Came of Bridgeport,
Conn. so I have many fine
plants of southern New
England now.

yours truly
W. W. Eggleston
