

Cambridge

Dec. 11,

1901,

Dear Mr. Colburn,

I write to inquire
whether you think
that you will be
able to come to
Cambridge after
Christmas and
during Christmas
week.

Miss Cummings
has been so good
as to come to Cambridge

for several days and
has been over the
Spruce and other
L. Amer. mosses in
the James and Sull-
ivant collections so
that they are now
in condition to be
distributed.

Mr. Bullard has
also done some
work on the Sull-
ivant collection and
the four first boxes
are arranged. Probably
the Sullivant collection
would not take

longer to arrange than
the James collection
because, although
larger, it is better
arranged. We have
also arranged some
other packages of
exotic mosses and
some progress has
been made.

Yours, truly,
W. E. Farrow.

Farlow, W. G. 1901. "Farlow, William G. Dec. 11, 1901." *James Franklin Collins correspondence*
