

Cambridge  
Nov. 22.  
1902,

Dear Mr. Collins,  
I did not  
expect you to return  
the two specimens.  
The D. spurium was  
only a fragment  
and the D. Schraderi  
was a good sized  
specimen. I have  
inserted your  
two drawings, one  
with the Hartman  
and the other  
with my own

specimen from Mt.  
Desert and I am  
much obliged to  
you for sending  
them.

Yours, truly  
W. G. Foulson
