Apr 12 1902,

Dear Mr. Collins,

I wish to inquire about  
your enclosed letter of 20 Jan. This was  
received when you sent back the  
specimens which I had sent you.

My question is this, at a later  
date you came to the Herbarium  
one day and looked up some of  
the exsiccated specimens of Hypnum

arctium and what I would like  
to make a note of is; In consequence  
of what you saw that day am I  
to understand that you still think  
my Shelburne is H. arctium or whether  
you think the determination  
doubtful.

Yours, very truly,

W. G. Farrow.
