

Cambridge, Mass., U.S.A.

April 13, 1904

Dear Mr. Collins,

I am greatly obliged for your notes on the algae. You need not apologize for the delay. It is nothing to the delay on my part. I start to look things up and, if I am stuck on anything, I have to lay it aside and go on knowing when I shall be able to take it up again.

Mr. Bellard has been over the Wilson set of mosses and the names of all the species are now inserted on the card catalogue, as soon as I can attend to it I will have the labels for duplicate set filled out.

Yours, truly,

W. G. Farlow
