HERBARIUM AND LABORATORIES
OF
CRYPTOGAMIC BOTANY

W. G. Farlow, 24 Quincy Street
R. Thaxter, 7 Scott Street

Cambridge, Mass., U.S.A.

March 4, 1907

Dear Mr. Collins,

I have at last found out that the collection of mosses in mantle covers which I showed you came from Hermann Mueller who was as well known for his work on insects and fertilization. It appears that he also published the set of Westfalens Leebmoose

which I have. I had no suspicion
that the ergologist and the fertilization
Muller were the same man.

Yours, very truly

W. G. Farrow,

Farlow, W. G. 1907. "Farlow, William G. Mar. 4, 1907." *James Franklin Collins correspondence*
