April 15, 1908.

Dear Mr. Collins,

I am much obliged to you for letting me see the enclosed letter of Wurmstarf. I am glad to see that it is to be "büllig verhaeft." I presume, however, that "büllig" means as much as he can get. Have you a specimen of the recently described L. Saxoni? I must try to get a specimen somewhere for our Herbarium. Yours, very truly,
W. G. Farlow.
